

FORTROSE ACADEMY NEWSLETTER

AUTUMN 2018

Welcome to the Fortrose Academy Autumn Newsletter.

I am incredibly proud to have been appointed as the new Rector of the school and look forward to getting to know our school, its pupils and the parents, carers and members of our wider community.

Our priorities for improvement were agreed prior to the summer break and are included in this newsletter. During the course of the session and beyond, the school will continue to make every effort to engage with the whole school community about how best to go about improving the experiences and outcomes for our young people.

We aim to provide information on a regular basis using social media, our website and daily notices and via occasional snail mail.

I was delighted to be able to recognise considerable examination success in the 2017/18 diet at the start of this term. Whilst results are important, wider achievement and experiences are too. Already our young people are showing evidence of the range of talents they hold beyond academic success - a huge range of arts and crafts, sports, music, debating, drama, dance, leadership and coding being just a small sample of how young people are developing skills and qualities in and out of the classroom.

Our young people benefit from the significant goodwill of staff, peers, parents and friends of the school and of HighLife Highland who offer a range of opportunities, clubs and trips to enhance the learning of all. Thanks to all who repeatedly go 'the extra mile'.

Fortrose pupils can be at the front of the queue for their next stage of life beyond school - employment, training, college, or university. To achieve this goal, understanding that personal profiles need to be able to demonstrate the range of skills, qualities and variety of achievements - not just examination results (although these are clearly important too) has been an early key message. This can and should be started at the earliest opportunity. It's a competitive world out there. Please encourage your 'adult in training' to try out new things; to embrace not being good at everything - yet; to think about what they need to do to develop as people and to make the most of the opportunities available to them in and out of school time.

We want our young people to be as Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included as possible. We recognise that successful outcomes for young people require us to work in partnership - pupils, parents/carers, school and partner agencies all have a role in helping young people onto the pathway to success in and beyond school. I look forward to working with all involved with our school.

We welcome support and feedback to contribute to our goal of ongoing school improvement. I will be available for parents at a Parents Surgery from 4-5.30 pm on Tuesday 30th October in the school. Please feel free to drop in to discuss anything which is important to you. Future sessions may be themed based around school priorities. There will also be surgeries held around our catchment area during the course of the session. More information to follow.

The school rightly has much to be proud of and we also recognise that we have things we can improve upon. Together, we can make sure our school becomes even better.

Gavin McLean
Rector

**FORTROSE ACADEMY
SCHOOL IMPROVEMENT PRIORITIES 2018-19**

Vision, Values and Aims

- Staff, pupils, parents and partners will be involved in the development of the Values of the school - "What do these values mean to you?"
- A larger proportion of staff, pupils and parents will be aware of the school Vision, Values and Aims.
- Pupils will be clear about expectations and be able to reflect on their experiences.

Learning and Teaching including Literacy and Numeracy across the school

- Feedback from self-evaluation shows an improvement in key areas.
- Feedback from learner reflection will inform staff about lesson quality.
- Pupils will be aware of the future benefit of their learning.
- Staff feedback from lesson observations shows impact from discussion and targets.
- Insight data to be used to target improvements.
- Meetings with Associated School Groups and Heads of Department to discuss standards in literacy and numeracy.
- Classroom environment focused and productive.

Health and Wellbeing including Relationships

- Pupils know and understand the wellbeing wheel and wellbeing indicators.
- Pupils in targeted groups feel mentally and emotionally supported.
- More pupils are organising and leading activities.
- More pupils will report that they feel able to cope with challenges and manage change.
- Parents/carers will report that they are more aware of skills to improve family health and wellbeing.
- Increase the number of families involved in training and information sessions.
- Staff training on attachment theory and the impact of adverse childhood experiences.

Employability (Developing the Young Workforce) including Partnerships

- S3 profiling established using My World of Work.
- Identification, development and incorporation of employability skills is embedded in subject lessons at all stages.
- Pupils are able to make successful transitions which accurately reflect their skills, abilities and interests.
- "At risk" pupils experience enhanced transitions and are able to establish pathways towards appropriate careers.

PUPIL ACHIEVEMENTS

Congratulations to Erin Lambert who received her 500 hour Saltire Award certificate. Erin volunteers at many different community activities. On a Wednesday she volunteers at the Getting to Know Your Techno Project, supporting older people with various needs, including visual impairment and dementia. Erin is able to help and show them how to use different types of technology. As a result of this work, Erin has attended a First Aid course and has also completed Dementia Friends training.

Erin is also a cox with Cromarty Community Rowing club. She supports adults and youths with their rowing, showing them techniques, skills and timing. She is a great role model to all of the youth rowers.

During July, Erin rowed for Team GB at the Atlantic Challenge 2018. She spent an incredible 3 weeks away from home, out of her comfort zone, meeting new people. Erin couldn't have asked for a better experience. The team were undefeated in oars and sails - the first ever Team GB win in the rowing race and 2nd in the World overall. Well done, Erin, you are a great inspiration to all of our young people!

HIGH-LIFE HIGHLAND VOLUNTEERING AWARDS
Congratulations, everyone, on all your hard work!

KYLE CAMERON - PIPING SUCCESS

Congratulations to Kyle, who won the Under 15 overall Champion for Highland Solo Pipers at the Northern Meeting. Kyle was presented with his award at Eden Court Theatre on Friday 31st August in the presence of the Provost of Inverness.

Kyle with his award

FORTROSE ACADEMY

Developing our Young Workforce

APPRENTICESHIP/JOB OPPORTUNITIES

- **VACANCY FOR TRAINEE IN FRAME KENNEDY ACCOUNTANTS** - opportunity to work in a busy accountancy practice in Inverness available now. The position involves full on-the-job training and career progression in business/accounting.

- **MODERN APPRENTICESHIP IN ADMINISTRATION, DOCUMENT CONTROL & IT - JACOBS** - Must have 3 National 5 qualifications including Maths & English
- Large number of organisations recruiting for Christmas vacancies and the Plough have vacancies for waiting staff.

Additional information available from Guidance

WELCOMING NEW DYW PARTNERS

We are delighted to welcome IV10 in Fortrose to our list of business partners working with our young people in school. As well as involvement in our annual DYW events: S5 interviews, CV skills; S3 Employability afternoon; and work experience, Emma Davis and her team will be working with students interested in developing skills in hospitality, design, marketing and business. **We value all our DYW partners—if you know of any other organisations keen to join our growing list of partners please get in touch.**

SEEKING OPPORTUNITIES

Helping our students access information about jobs, apprenticeships and training schemes is vital so, in addition to the DYW page on our school website, regular posts on Facebook and the notice board outside room 14, students/parents can follow our twitter feed <https://twitter.com/FortroseDyw> or if you have an instagram account https://www.instagram.com/fa_dyw/?hl=en

Students should also follow <https://en-gb.facebook.com/ichdyw/> the DYW Inverness and Central Highlands page as well as keeping an eye on organisations' own websites for apprenticeship/job openings.

Hi-hope.org

This is an online resource listing what's out there for young people leaving school in the Highlands. Hi-hope Directory advertises all job and volunteering opportunities on its Noticeboard tab and is updated daily. Work-related learning can provide you with skills and knowledge to help you consider your future career choices. Activities such as work placements, sector talks, mentoring, mock interviews, workplace visits, and enterprise activities at school, to name a few, will develop your transferable and employability skills and will allow you to put your existing skills into practice, or observe others using theirs. Log on to the hi-hope website using username fortrose and password wexp108 to find out more.

SKILLS DEVELOPMENT SCOTLAND — Getting in touch with Clark Ellis

'I am in Fortrose Academy every Wednesday & Thursday during term time. All pupils can request a careers appointment with me by asking their Guidance Teacher to arrange this. Alternately if someone has a brief query there are lunch time drop-in sessions both days in room 29B. Parents and pupils can contact me via email clark.ellis@sds.co.uk or by phone 07342058494. Outwith term time careers information, advice and guidance are available at SDS Inverness Career Centre, 1-5 Church Street, Inverness. IV1 1DY T: 0300 0133826 I'd encourage everyone (pupils, parents and partners) to register and make use of My World of Work. There is something for everyone.'

FORTROSE ACADEMY

Developing our Young Workforce

WORK EXPERIENCE OPENS DOORS

We have a number of students on work experience with Velocity Café: David Bremner, Alfie Masson, George MacEachan and Michael Bicknell. Work experience continues to help our young people move on to employment. Well done to Gabriel Dornan and Rhys Paterson who have started an apprenticeship with William Gray Construction and Dominik Kowalik who impressed so much on his work experience with William Gray that he was snapped up by one of the sub-contractors on site.

Readathon - Get Ready to Read S1!

After the October holidays, The English Department is ready to launch Readathon! This will be a part of S1’s reading programme “Power Readers” which encourages pupils to read for enjoyment.

Pupils will be sponsored to read a range of books and in turn, think about others by raising money for the charity Read for Good. All monies raised will go to children’s hospitals in Glasgow or Aberdeen. There will be a target amount of £5 per pupil and any pupils wishing to raise more are very welcome to do so. Equally, any pupil who does not meet this target can still participate. There is also an option for online donations if sponsors would prefer and further details will follow with the launch in October on Monday 29th at the S1 Assembly.

Pupils will aim to complete their reading challenges by the week beginning 17 December and therefore will have 7 weeks to read as much as they can!

Sponsorship cards will be given to pupils and Miss Maxwell will take charge of the payments. We encourage all S1 pupils to take part.

“Whenever you read a good book, somewhere in the world a door opens to allow in more light.”

– Vera Nazarian

ABERDEEN UNIVERSITY AWARDS

Congratulations to former pupils

- Lauren Lynch, LLB with English Law, 2.1
- Rebecca Sillars, MA History, 2.1
- Emily Sked, MA Hispanic Studies, First class

HELP NEEDED!

We are looking for suitably qualified adults to help us deliver the bronze Duke of Edinburgh Award (and hopefully silver and gold!) at Fortrose Academy.

We are looking for people who have either a **Summer Mountain Leader Qualification** OR a **Highland Council Walking and Camping Accreditation**.

You would need to have a PVG and be able to give up 2 weekends (Friday and Saturday) and a training day. If anyone doesn't hold one of these qualifications but has some hillwalking and camping experience we can arrange to get you qualified.

Please contact Alison Stewart at the school if you are interested or would like more information.

Mary Glasgow Magazines

Packed with fresh cultural insight and teen interest topics, Mary Glasgow Magazines use carefully graded language to work on vocabulary, grammar and comprehension. Costs for students are as little as £9.50 for 5 magazines and access to additional online resources.

Orders can be made online with magazines being delivered to the school. Please check the school website for information on the level appropriate to your son or daughter and on how to order.

SPONSORED WALK 2018

Thanks to everyone who contributed to making Friday's sponsored walk lots of fun! Even the weather was kind to us! This is a major fundraiser for the school - pupils are asked to hand in sponsor money to Registration teachers as soon as possible.

Thank you!

A Farewell to Donnie Mackenzie

This summer marked the retirement of Mr Donnie Mackenzie, the Head Teacher of Fortrose Academy. Mr Mackenzie held the reins since 2011, in addition to his role as Head of Physics since 1984. He now passes the torch to Mr Gavin McLean.

Many people, when asked to imagine a school headmaster, will conjure up the image of a strict, ferocious teacher who terrifies children and detests fun! Mr Mackenzie could not have been further from this stereotype. A universally well-liked figure in the school, he made the effort to remember pupils' names and to greet them in the corridors, while his Physics lessons were memorable for the humour he was able to inject into even the most tedious of concepts. He was also a crucial part of the annual school ski trip.

The following words of pupils interviewed prove the extent of his popularity in the school:

"Great rector and he was a joy whenever he came into our classes" – Matthew McGowan, S6

"Mr Mackenzie will be missed more than an arm or a leg" – Anon

"He was a great chap and will be missed by the pupils here at Fortrose Academy" – Karim Moukaouame, S4

"Mr Mackenzie was one of a kind – a true rector: always honest, always true to himself and his students – a true credit to Fortrose Academy" – Neil Crombie, former pupil

"Mr Mackenzie was an awesome rector with a hilarious personality, he always made everyone laugh and will be very much missed by pupils and teachers at Fortrose" - Sophie Hazell, S6

"Donnie was a kind-hearted soul. We hope he has a peaceful retirement" - Hannah Leslie, S3

"What I'll miss most about Donnie is his great booming voice over the tannoy" – Anon

The school will certainly feel an emptier and less lively place without his animated presence. I'm sure that, for a lot of us, future reflections and memories of Fortrose Academy will be inseparable from memories of its Head Teacher. We all wish Mr Mackenzie a great retirement.

Tom Leslie, S6

ABSENCE PROCEDURES - INFORMATION FOR PARENTS/ CARERS

If your son or daughter is absent from school then please contact the school (by email, telephone or provide a note) as soon as possible, preferably on the first day of absence. Should there be no satisfactory explanation then, by the third morning, the Guidance team will be in touch to establish the circumstances of your son or daughter's absence.

Please let us know if you have updated your mobile number or changed your email address. It is really important for the school to have up-to-date contact details!

HEALTH FACULTY UPDATE

Pupil Success

Anna and Lucas Cairns were competing at the Scottish National Trail running championships in Fife. Anna won the under 13 title and Lucas took silver in the under 15 race. Brilliant achievements on a very hilly course. Congratulations to both!

Extra Curricular Activities

Extra curricular activities are up and running. The full timetable can be viewed below but will be subject to change over the course of the year depending on weather and venues. Please keep up to date with information via the Fortrose Academy Facebook page, the Fortrose Academy PE department instagram and twitter page @fortrose_pe and on the daily announcements.

Debate & Public speaking	S1-S6 Boys & Girls	Lunchtime	1.30pm-2pm	Mr Meikle	Rm10

Pupil Voice – Health and Wellbeing - Pupil Voice committee will be starting again this year and it is an opportunity for pupils to have their say on all things Fortrose Academy. This is a great platform to voice your opinions and have a positive impact on Fortrose Academy and the surrounding community. Also, being part of the group can count towards Saltire and leadership hours which looks great on your CV or when applying to Universities. For further information please see Mr Morton or see the daily announcements.

North Football Trials - Congratulations to the following pupils who were selected for North of Scotland School Football:

Seniors:

Ben Williamson Centre Mid
Lewis Hyde Centre Mid

U15s:

Ryan Macleman Left/Mid or Striker
Ruaridh Nicol Goalkeeper

Extra Curricular Round-up - Over 40 boys and girls have attended regular hockey training so far this session. They have already played one fixture against Dingwall. Also, there are a number of girls attending girl's football training on a Monday night. They will also be playing in the North of Scotland & Scottish Cup.

Boys and girls teams will be playing in both the North and Scottish Cups this year. Draw details below:

North of Scotland Schools Football Cup:

Senior Boys away Dingwall by 26 October
Senior Girls home Nicolson Inst by 7 December
U15 Girls home Nicolson Inst by 7 December
U15 Boys away Dingwall by 26 October
U14 Boys home Inverness RA by 26 October
U13 Boys home Inverness RA by 26 October

Scottish Cup Football Cup:

Senior Girls 1st round home Lochside by 27 October,
2nd round home Nicolson/Cults by 17th November
Senior Boys 2nd round away Granttown scheduled for
1 October
U16 Boys 1st round home Nicolson by 29 September,
2nd round away Banff/Cults by 27 October
U14 Boys 2nd round away Banff 27 October

We were delighted to have Steven McLennan from **Highland Office Equipment** visit us to present us with new football strips. They have very kindly sponsored the strips which will be used by all U15/Senior girls and boys teams. We are extremely grateful to Highland Office Equipment for purchasing the strips and klasklothing Inverness for supplying them.

Cricket has proved to be very successful over the past number of months with more than 15 pupils regularly attending training with Mr Cronin on a Wednesday evenings.

Rugby training for girls and boys takes place after school on Thursdays.

Netball training has been on Tuesday nights and the S1/2 girls have already played a game at Millburn Academy.

Gymnastics - it was great having Liz Danby in school to deliver gymnastics sessions. She will return after the October break to resume sessions.

Judy Clinton founded the Moray School of Skating in Inverness and pioneered synchronized ice skating in Scotland. She recently retired from her roles as a Director of Sk&scotland and Judges & Officials Director of the National Ice Skating Association. In 2006 Judy's daughter, Amanda, took over the coaching of the synchronized ice skating teams in Highland.

AMANDA

Amanda coaches singles, ice dance and synchronized ice skating. In 2018 she passed her International Skating Union Championship Technical Specialist exams in Synchronized Skating. Amanda has officiated on many occasions at the British Synchronized Ice Skating Championships and also at the Trophy d'Ecosse ISU International Synchronized Skating Competition (which incorporates Club International and Sk&scotland Scottish Synchronized Skating Championships).

HIGHLAND ICE FUNDRAISER

Keep an eye on our website for details of our annual winter fundraiser

ICE FACTOR

This is your opportunity to watch all our skaters and to vote for your favourite performance!

The Inverness Ice Centre hosts badge courses for beginners during the summer months and group lessons can be offered during the winter depending on ice availability.

Please contact Amanda at the Inverness Ice Centre on 01463 235711 for further information.

HIGHLAND SYNCHRONIZED ICE SKATING TEAMS

INVERNESS ICE CENTRE
BUGHT PARK
INVERNESS

You will find more details about all our teams and their successes on our Club Website:

<http://www.highlandicesynchro.co.uk>

For further information and enquiries about our Club please email:

highlandicesynchro@gmail.com

THE TEAMS

THE MORAY DOLPHINS

The Moray Dolphins was the first synchronized skating team in Scotland. They started out as a Mixed Age team and, having gained the required tests, they made it to the Senior category. A number of our 'Dolphins' have left over the last few months to continue their education. This has meant that the team has, again, had to compete in the Mixed Age category. However, the new team members are working towards their required tests to enable them to compete in the Senior category again!!

THE NORTHERN LIGHTS

The Northern Lights was initially a Juvenile team and then moved into the Intermediate category. After a 2 year battle with tests they moved up to the Basic Novice category. Because of the ages and skating stages of the team members they are currently in the Preliminary category.

THE HIGHLAND PUPS

The Highland Pups, originally known as the Moray Seal Pups, compete in the Elementary category which is for skaters under the age of 15 who haven't sat tests yet. This is a beginner category suitable for newly formed teams. Earlier this year the Highland Pups competed as a brand new team of skaters at the Trophy D'Ecosse in Dumfries. We are hoping to develop this team and we are currently recruiting skaters that have passed badge 6 as a minimum level.

THE HIGHLANDERS

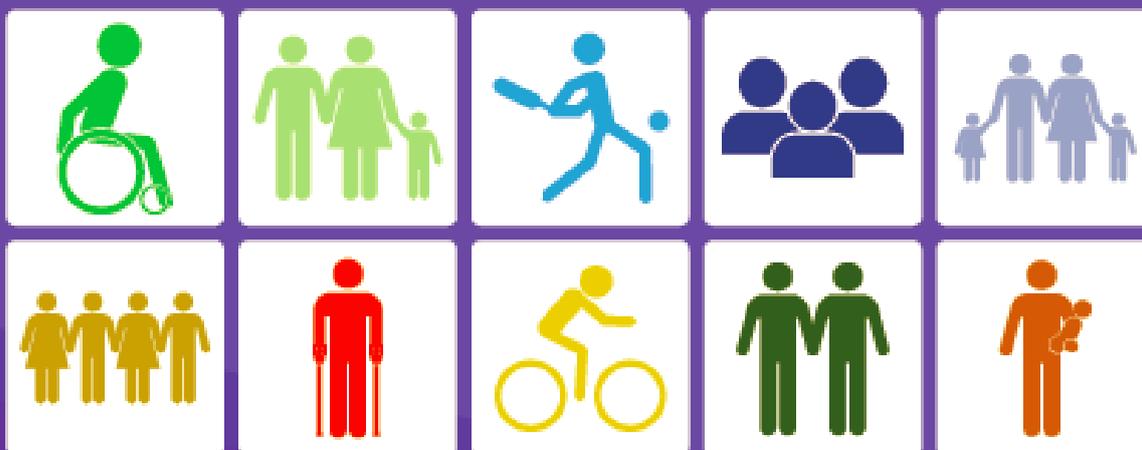

The Highlanders is our newest team and is an Adult team. In 2014 they competed for the first time at the British Synchronized Skating Championships in Sheffield and also in the Trophy d'Ecosse competition in Dumfries. The team is open to adults, aged 18 and over, who have passed badge 6.

**A TEAM FOR EVERY
AGE AND FOR ALL
STANDARDS**

AND FINALLY.....

Mid Ross Community Partnership

Want to help improve your community?

Mid Ross Community Partnership Community Survey 2018/19

The Mid Ross Community Partnership is working together to gain better outcomes for communities across the Mid Ross area.

We want to start by finding out what issues matter most to the people who live and work in Mid Ross. Please take this opportunity to make sure your voice is heard at this early stage.

To take part, please visit the following website:
www.surveymonkey.co.uk/r/MidRossSurvey2018

If you have a smart device you can access the survey by scanning the following QR Code
